## CURLEY OFF TO PARIS TO ARRANGE BOUT

New York, Dec. 15.—The plot thickens. Jack Curley, co-manager of Jess Willard, is going to sail for Paris on Monday to have a big look around and mayhap a talk with Georges Carpentier and Francois Descamps, his manager, to arrange it.

Forty rounds! That would be a fight to a finish practically. It would settle the question of supremacy for all time. Held most in the center of Paris, with Carpentier fighting for the title on French soil, and with a large portion of the proceeds going to the Red Cross fund, it would draw the greatest crowd that ever saw a contest across the waters.

Curley refused last night to divulge the secret of his going, though he did admit that he intended sailing Saturday, but had put off his going until Monday.

## MINORS WANT RELIEF TO HILLTOP QUINT

Georgetown Trims Mount St. Joseph in Opening Game, 35 to 12.

Georgetown's basket-ball quint opened its season last night in Ryan's Gym with an easy victory over the Mount St. Joseph College team, of Baltimore, Md., by a 35-to-12 count.

The visitors were outplayed during the forty minutes. The general all-round work at shooting and passing of the Hilltoppers was as good as could be expected in the first game of the season.

Mount St. Joseph did not come up to expectations in the passing end of the game, as they time and time again stopped passing the ball for scrimmage work. G. Keliher and Lee Hart, the two Washington boys with the visitors, were the stars, as each did some exceptional work at dribbling the ball and kept their opponents pretty well covered.

O'Boyle, of the Hilltoppers, was easily the shining star of the contest, as he seemed to always be in the right spot both on the defense and offense. He made two clever shots from midfloor and played a great game on rushing the ball toward his basket. Olone and Fees handled their chances in great style and were supported in a good manner by the blue and gray backs from foul. Keliher and Lee Hart were the only players in the contest banished for personal fouls.

Inability of Hart and Keliher to shoot four losses kept the visitors' score down. The line-up and summary:

FOURTH RACE—Selling: 3-year-olds and upward; five and one-half furlongs. Timmer, Mr. Jones and H. Sullivan, Time of halves—20 minutes. Score—Georgetown, 35; Mount St. Joseph, 12.

## MINORS WANT RELIEF ON THE MAJOR DRAFT

Class AA Clubs Agree to Accept No Player Through Optional Agreement.

Chicago, Ill., Dec. 15.—That the minor league representatives talked seriously to Big Ban and his henchmen, there is little doubt.

"Every club of the three Class AA leagues is pledged to stick to the death on the request for relief from the major draft," said an international club president yesterday afternoon.

"The Coast League, of course," he continued, "doesn't care one way or the other. It would as soon run independently, anyhow. We are anxious for its co-operation, however. President Baum is with us. He has guaranteed the loyalty of his associates."

At a secret meeting of the minor leaguers a day or two ago a plan of reprisal against the majors was adopted. The Class AA clubs have agreed to accept no players from the National and American Leagues through optional agreement.

"That will be a great saving," said L. Lichtenstein, the Breeze Kid of Montreal. "Here is the way it will work."

"With the avenue closed to disposal through optional agreement the major clubs will not take South the forty and fifty bands, as they do at present. They will have to declare free agents a lot of excess baggage. We can step in then and sign this cast-off material cheaply. Now we have to assume the contracts negotiated by the major leagues."

## TENNIS CHAMPIONS WIN INDOOR MATCH

McLoughlin and Johnny Strachan at San Francisco several days ago, were received last night. McLoughlin played a disappointing game and his team was an easy victim for the titleholders, 9-7, 6-3, 6-4.

## GAFFNEY WILL BUY PIRATES, IS REPORT

One-Time President of Braves Willing to Pay \$1,250,000 for Pittsburgh.

New York, Dec. 15.—From an authoritative source it has been learned that James E. Gaffney, formerly president of the Boston Braves, is dickering for the purchase of the Pittsburgh Pirates. It is said that "Barney" Dreyfus, owner of the Pirates, demands \$1,250,000 for the grounds, stands and franchise.

It is said that Mr. Gaffney represents a syndicate of Pittsburgh business men, and that Mr. Gaffney and his associates have practically accepted the terms quoted by Mr. Dreyfus. Furthermore, Mr. Gaffney intends to make "Johnny" Evers, whose contract with the Boston club has one year more to run, manager of the Pirates if the deal is consummated.

While Mr. Dreyfus has emphatically denied the report that the Pittsburgh club was on the market ever since coming to this city to attend the annual meeting of the National League, it has been learned that he has had at least one conference with Mr. Gaffney. It is also known that Mr. Gaffney has had a conference with "Johnny" Evers.

According to this information the club will be sold in the immediate future, but it was the intention of all the parties concerned to keep the matter secret until everything, including the many details, had actually been arranged.

## HAUGHTON WOULD ELIMINATE SPITTER

New York, Dec. 15.—Percy Haughton would change the rules by eliminating one foul strike; reduce the number of balls from four to three, and prohibit the use of saliva, emery and resin by the pitchers. Haughton's recommendations have been referred to the table for future discussion.

According to Secretary Heydler the different National League club owners expressed their individual views, some of them being in favor and others opposed to the elimination of the draft were in the majority.

Grand Circuit Stewards to Meet.

## SKATER DONNELLY IN SPEED CONTEST

Philadelphia, Pa., Dec. 15.—A fast lot of professional speed roller skaters will start Saturday evening in the one-mile Eastern championship event at Clark's Palace roller rink, Thirty-ninth and Market streets. Skaters of national reputation are now spinning over miles and miles of maple flooring in preparation for this race and scenes rivaling the famous sprint roller racing in Madison Square Garden last March will probably be witnessed when the starter fires the gun to send the flyers away for what will undoubtedly prove a very speedy journey. Two Pennsylvanians, J. J. Ted Mulholland, of Norristown, and Ted Baker, of Altoona, are carded to go, and as both are conceded to be top-notchers in this exhilarating sport, skating enthusiasts of this city have something to look forward to.

Donnelly, a speedy half-miler from Washington, D. C., will also make a try to capture this classic, as it is planned to hook up the winner in a special match heat with Roland Clor, the present world's champion and record holder, who only last week again shattered his own record for one mile on a banked track in the Chicago meet.

He denied that he was seeking the services of Walter Johnson.

Lee Fohl, manager of the Cleveland Club, made overtures for the services of Joe Wood, of Boston, but Fraser indicated he did not care to dispose of the pitcher.

The game against the military academy will be played on May 25 at West Point. All the other games will be played on the local grounds. Lieut. Ralph Needham, U. S. N., one of the best pitchers in the Naval Academy has had, and an assistant coach last season, will be head coach this year.
